

**International Academy on Sustainable Development**  
**Workshop on the Integrated Management of UNESCO Designations**  
**(8-13 October 2017 | Turin, Italy)**

**Tentative programme**

The workshop's programme consists of a mix of visits, meetings with stakeholders, lectures, presentation by participants and discussions.

The current tentative version is based on the experience gathered during previous workshops of the Academy. Speakers and case studies are being selected considering their specific relevance in relation to the workshop's topics.
